Cost of a candy bar ...\$1.00
 Cost of a camp t-shirt ...\$12.00
 The average price of a week at Camp ...\$260.00
 The memories that come along with your week at camp ...**PRICELESS**

There are a lot of good reasons for going to summer camp. It's always fun doing things at the waterfront, BB range, archery range, and craft center. It's fun sitting around the picnic table with a circle of friends. It's fun to learn something new in a science activity, and it is really fun to participate in skits with new friends. We take fun seriously in our Cub Scout programs.

Summer camp is a big part of the Scouting experience, so choose the camp which gives the most value and fun for your time and money. That would be one of our Suffolk County Council Cub Scout Camping Programs. It's where your son is the center of attention all week long. The fun starts upon arrival and gets better every day!

Baiting Hollow Day Camp - This summer, Baiting Hollow Scout Camp will host another exciting nine weeks of day camp! Join us for a week or the whole summer and participate in many different things while you are there. No two weeks are exactly alike! The day camp program starts at 8:30 a.m. and concludes at 4:00 p.m. Before and after care is available at NO additional cost! Lunch and snack are included.

Baiting Hollow Scout Camp offers an exciting and fun-packed program. Our trained shooting sports instructors have safety as their top priority while the boys complete the requirements for their Archery and BB Belt Loop. Waterfront activities at Baiting Hollow include swimming, boating and a day at the beach. All campers will have their swim level evaluated and will only be allowed to swim in the area that meets their ability. For science, campers will get messy while doing fun experiments. In addition, each camper will complete a different project each week during their sessions at arts and crafts. Games and sports will help teach the boys about rules and teamwork which are important life lessons for social interaction. Lastly, see who can be the fastest to the top of our 32 foot climbing wall.

Twilight Camp - Twilight camp will run every Thursday evening from 4:30 pm when day camp ends, until 9:00 pm that evening. This is an additional program that has a fee of \$25.00. The boys will go fishing and earn the fishing belt loop. They will eat dinner around a campfire while the staff performs a campfire show. The evening will conclude with roasted marshmallows. We are offering this program in an effort to help parents with their busy schedule as well as to provide some different outdoor camping opportunities to our scouts.

We are excited about this program and are looking forward to some great memories that will be made! This new program is for those scouts who are at the day camp and would like to stay a little longer that day.

All of our camping programs
are nationally accredited

Baiting Hollow Cub Parent Weekend - This summer there will be six action packed weekends for you and your son to attend. These weekends allow you and your son to spend quality time together away from the television, video games and other distractions.

The schedule for the weekend is very accommodating. Please plan to arrive at 12:45 p.m. on Saturday. When you arrive you will have many activities from which to choose. You can go swimming or boating on Lake Arrowhead, hike some trails, shoot archery or BB guns, or climb to the top of our 32 foot climbing wall. After dinner you can participate in a camp wide activity and then head to the camp-fire for a great show. Feel free to watch the show or join in with a song or skit. Many of the same activities will be open on Sunday.

Tents and cots are provided, as are all meals. If you prefer, bring your own tent and other outdoor gear. So pack light, and spend more time having fun with your son.

Baiting Hollow Cub Resident - This program is for Cub Scouts and Webelos Scouts. Resident Camp is a great opportunity to sleep at camp without being far from home. Come to camp on the rolling hills of eastern Long Island. Swim in the Long Island Sound. Row a boat around Lake Arrowhead. Practice sports and maybe even learn a new one. Climb the 32' climbing wall or simply enjoy a beautiful summer day.
